

CTS Program Progress Form

Opportunity Scholars that need award parameters calculated for their account or need the award parameters on their account updated should work with an advisor or other staff person at their college to complete this form and then upload it via the “Submit Program Progress form” submission page in the WSOS Scholar Portal. Documents filled out by the scholar without the support of a college staff person will not be accepted.

If a Scholar is currently completing pre-requisites for a program, the form should be filled out for their intended program of enrollment.

Scholar’s first and last name:

College staff person’s name:
